#### **Course Description**

This informative training will provide advocates, law enforcement, and other service professionals the opportunity to understand the importance of protecting our children from crime. It will also allow participants to hear directly from a victim regarding how crime has affected his family through the loss of a child due to victimization.

This workshop will also assist advocates in understanding the importance of advocacy during the investigation and prosecuting stages.

All professions will benefit from this important training. Sign up early! ***Space is very limited!***
